WE'RE HIRING...

About Us

Fisher Industries is a family of businesses that encompasses all aspects of the aggregate production and heavy civil construction industries. We are a well established company with an impressive work portfolio spanning over 70 years.

Fisher Sand & Gravel Co. is the parent company of Fisher Industries. Our main activities have been locating, processing, and delivering sand, gravel, and aggregate products and providing crushing services to contractors for roads, dams, and large public works projects.

We Offer

We offer a variety of benefit programs to enhance the lives of our employees and their families. We offer medical, dental, vision, disability, Amwell telehealth, vacation pay, sick leave, 401(k), profit sharing, and more!

...IN THE FIELD OF

DIESEL TECHNOLOGY

Position Scope

Perform routine maintenance as well as minor and major repairs on equipment. The individual will be responsible for examining the equipment when it is in for scheduled maintenance to determine additional service needs.

Primary Duties

Perform regular scheduled service to all equipment, perform necessary major repairs to equipment as needed, document and discuss with supervisor any required major repairs that are discovered, document all service work done to equipment.
